DEMOCRATIZATION THROUGH MIGRATION? POLITICAL REMITTANCES AND PARTICIPATION OF PHILIPPINE RETURN MIGRANTS

CHRISTL KESSLER AND STEFAN ROTHER

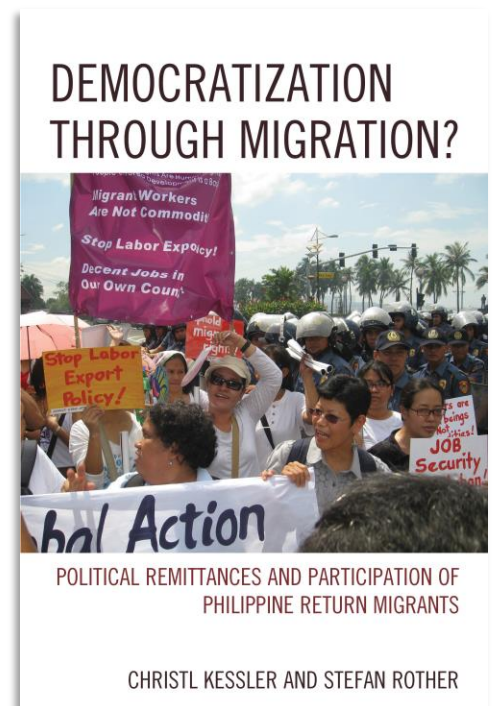

“Much has been written about the economic effects of international migration but less is known about its political impact. In this highly original work the authors gauge the relationship between migration and democratization in the Philippines and their findings are original and quite surprising. The relationship is more tenuous and nuanced than we might expect. But the subject is vast and this work marks the beginning of what will become a growth field focused on migration and political development. I highly recommend this book.”

— James F. Hollifield, Southern Methodist University

ABOUT THE BOOK

This book spearheads a new area of research—the link between migration and democratization. It argues that return migrants can play an important role in the consolidation process of young democracies. Based on original quantitative and qualitative data, it analyzes the political attitudes and experiences of Philippine labor migrants.

Christl Kessler is an independent scholar.

Stefan Rother is a researcher and lecturer at Albert Ludwigs University.
